

PENTECOST

Saturday, May 26

6:30 p.m.

Home of John and Vlatka Moll

C*A*L will celebrate Pentecost (the coming of the Holy Spirit) with a Saturday night pot-luck, worship, bonfire and camp out.

The evening will include a shared meal, Molls will supply the meat. Interactive worship will follow the meal. Our band will play and we will all participate in telling the story of Pentecost exploring what that means for us.

Following the worship, weather permitting, we will have a bonfire. (Fire is the symbol for the Holy Spirit)

We would like to do a group activity of painting flower pots and planted red flowers in them. These could be given to a friend or family member as a way of “Sharing the gift of the Spirit”

We will also take an offering that night to aid the victims of the recent tornadoes in the midwest.

Things you can do...RSVP to the Molls let them know if you are coming and if you will be camping out. 215 345-6510.

If you have **red, orange or yellow acrylic paints, and/or clean flower pots you would be willing to donate, let Suzanne know 215 536-5178.**
